14-17 SEPTEMBER 2025

DENVER GOLD GROUP *presents*
MINING FORUM AMERICAS
BROADMOOR RESORT | COLORADO SPRINGS

The Denver Gold Group, Inc (DGG) connects global capital with global mining. It is a Colorado nonprofit 501(c)(6) business association and is the only independent and conflict-of-interest-free mining investment platform. DGG has a 37-year track record through every investment cycle and supports and promotes various mining and mineral investment and education initiatives, collaborating with other mining and mineral industry business associations.

IAMGOLD[®]
CORPORATION

Renaud Adams

President & CEO, IAMGOLD Corporation

Consolidating Operating Standards for Mining Excellence

Monday, 15 September, 12:30 PM, Bartolin: Stage 1

Renaud Adams has over 30 years of global mining experience in senior executive positions and operations. Mr. Adams was President and Chief Executive Officer of New Gold Inc. from 2018 to 2022, where he led the strategic repositioning of the company and turnaround of its operations. Prior to New Gold, Mr. Adams was President and Chief Executive Officer of Richmond Inc. from 2014 until the company was sold to Alamos Gold in November 2017. During Mr. Adams' time at Richmond Mines, production at the company's principal mine more than doubled, mineral reserves more than tripled, and costs were reduced to make the Island Gold Mine in Ontario one of the lowest cost operating underground mines in the Americas. From 2011 to 2014, Mr. Adams was Chief Operating Officer at Primero Mining Corporation, and prior to that he was General Manager of IAMGOLD's Rosebel mine in Suriname before being appointed Senior Vice President, Americas Operations. Prior to IAMGOLD, Mr. Adams held various senior operations positions at mining operations located in the Americas. Mr. Adams holds a Bachelor of Engineering degree in Mining and Mineral Processing from Laval University in Quebec, Canada.

CUPEL ADVISORY

Neil Adshead

Consultant, Cupel Advisory Corp.

Basic Principles of Mining Investment **Sunday, 14 September, 8:45 PM, Broadmoor Hall C**

Neil's post-graduate mineral sector career commenced at Placer Dome, where he filled exploration, mining, and managerial roles in Australia, Papua New Guinea and Canada. After a decade-long apprenticeship at the major mining company, he jumped to the buy-side more than twenty years ago, initially working as a Senior Mining Analyst at San Francisco-based Passport Capital, then as an Investment Strategist and Portfolio Manager for various subsidiaries of Sprott Inc. Neil currently fills his working hours with part-time roles: assisting a gold mining company with growth initiatives, providing technical reviews for equity funds with different investment mandates, and as Chairman of a private gold-focused exploration company in Idaho.

CUPEL ADVISORY

Nikki Adshead-Bell

Director, Cupel Advisory Corp.

Basic Principles of Mining Investment

Sunday, 14 September, 8:45 PM, Broadmoor Hall C

Dr. Nicole Adshead-Bell brings 30 years of global mining sector expertise spanning technical, capital markets and executive leadership roles. Originally trained as a geologist, her career has taken her from grassroots exploration to fund management, investment banking, executive leadership, and board governance.

Nicole is the Founder of Cupel Advisory Corp., an active investor in the mining sector and advisor to mining companies, institutional funds and government entities. She previously transitioned from Independent Director to CEO & Managing Director of Beadell Resources, leading an operational turnaround and financing via M&A – selling the company for a 69% premium. Her background also includes Director of Mining Research at Sun Valley Gold, a former SEC-registered precious metals fund, and Managing Director, Investment Banking at Haywood Securities, where she was involved in >C\$1.8 billion of equity/convertible debt financings and >20 M&A transactions.

With more than 30 years of cumulative board experience across exploration, development, and mining companies listed in Australia, Canada, the UK, and the US, Nicole combines technical insight with capital markets expertise. Over her career, she has assessed over 250 exploration, development and mining projects across six continents.
