Ronnie Stöferle

Back to the Monetary Future: The Creeping Remonetization of Gold
Tuesday, 29 September, 7:30 AM, Bartolin: Stage 1

Ronnie is managing partner of Incrementum AG and responsible for Research and Portfolio Management.

He studied business administration and finance in the USA and at the Vienna University of Economics and Business Administration, and also gained work experience at the trading desk of a bank during his studies. Upon graduation he joined the research department of Erste Group, where in 2007 he published his first In Gold We Trust report. Over the years, the In Gold We Trust report has become one of the benchmark publications on gold, money, and inflation.

In 2014, he co-authored the international bestseller Austrian School for Investors, and in 2019 The Zero Interest Trap. He is a member of the board of directors at Tudor Gold Corp. Moreover, he is an advisor to Von Greyerz AG, a global leader in wealth preservation in the form of physical gold stored outside the banking system.
