The AI Supply Chain Is a Copper Story
**Monday, 28 September, 4:50 PM, Bartolin:
Stage 1**

For more than 25 years, Mr. Friedland has been recognized by leaders of the international financial sector and mineral resource industries as an entrepreneurial explorer, technology innovator and company builder. He has successfully developed a portfolio of respected public and private companies whose initiatives have led to several of the world's most significant mineral discoveries and mine developments, applications of disruptive technologies and contributions to significant economic growth in established and emerging markets in the Asia Pacific Region, Southern Africa and the Americas.

NEW HORIZONS

Ronnie Stöferle

Managing Director, Partner and Fund Manager, Incrementum AG

Back to the Monetary Future: The Creeping Remonetization of Gold

Tuesday, 29 September, 7:30 AM, Bartolin: Stage 1

Ronnie is managing partner of Incrementum AG and responsible for Research and Portfolio Management.

He studied business administration and finance in the USA and at the Vienna University of Economics and Business Administration, and also gained work experience at the trading desk of a bank during his studies. Upon graduation he joined the research department of Erste Group, where in 2007 he published his first In Gold We Trust report. Over the years, the In Gold We Trust report has become one of the benchmark publications on gold, money, and inflation.

In 2014, he co-authored the international bestseller Austrian School for Investors, and in 2019 The Zero Interest Trap. He is a member of the board of directors at Tudor Gold Corp. (TUD), a significant explorer in British Columbia's Golden Triangle as well as Goldstorm Metals (GSTM). Moreover, he is an advisor to Von Greyerz AG, a global leader in wealth preservation in the form of physical gold stored outside the banking system. In 2024, he joined Monetary Metals, a platform for products that offer investors a yield on gold, paid in gold, as member of their advisory board.

Ronnie is married and proud father of three daughters. He spends his spare time with his family, watching and playing football, running, and at classical concerts.
